

Rynn

.Nuovvo

TECHNICAL DATA SHEET

With an enveloping and sophisticated character, the **Rynn** bathtub offers an incomparable relaxation experience. Its refined silhouette and Nuovvotouch finish convey lightness and harmony, integrating seamlessly into different bathroom styles. A piece designed for those who value comfort without giving up exclusive and long-lasting design.

● Material:

Nuovvotouch is Nuovvo's most versatile material, the result of a perfect combination of polyester resin and silica-free dolomite stone. Its surface is coated with Nanocoat, a high-performance gel coat that provides superior protection and an exclusive silk-like touch.

● Properties:

- Matte white finish.
- Waste and siphon included.

2-year warranty

Easy to clean

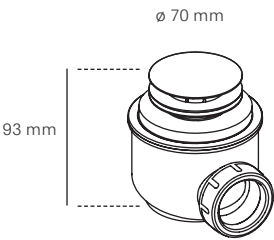

● Dimensions:

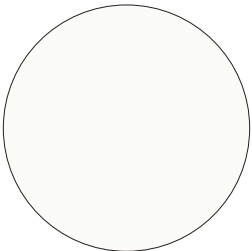

NOTICE: There may be a margin of error of up to 1 cm due to production processes.

● Valves:

- VALSINRB valve and siphon included.
- White stainless steel finish.

● Color:

Matte white

● Use and maintenance:

- For regular cleaning, use universal cleaning products without abrasive properties or mild dishwashing detergents.
- After each use, rinse the interior surface with water and dry with a cotton cloth.
- Clean persistent stains (grease, oil, paint, ink, and mold) with a gentle cleaning cream*. Completely removing stains may require some effort.
- It is recommended to apply skin care oil on the product surface once a month to maintain its aesthetic appearance.
- Clean stubborn dirt with warm water and mild detergents or soapy water.
- Remove scratches from the surface with a coarse sponge and then apply skin care oil. Limescale can be removed with diluted vinegar in water.

*NOTE: USE ABRASIVE DETERGENTS WITH CAUTION.
