● Use and maintenance:

- For regular cleaning, use universal cleaning products without abrasive properties or mild dishwashing detergents.
- After each use, rinse the interior surface with water and dry with a cotton cloth.
- Clean persistent stains (grease, oil, paint, ink, and mold) with a gentle cleaning cream.* Completely removing stains may require some effort.
- It is recommended to apply skin care oil on the product surface once a month to maintain its aesthetic appearance.
- Clean stubborn dirt with warm water and mild detergents or soapy water.
- Remove scratches from the surface with a coarse sponge and then apply skin care oil. Limescale can be removed with diluted vinegar in water.

*NOTE: USE ABRASIVE DETERGENTS WITH CAUTION.
