● Use and maintenance:

- For regular cleaning, use universal non-abrasive cleaning products or mild dishwashing detergents.
- After each use, rinse the inner surface with water and dry with a cotton cloth.
- Clean persistent stains (grease, oil, paint, ink, and mould) with a gentle cleaning cream.* Completely removing the stains may require some effort.
- It is recommended to apply skin-care oil to the product surface once a month to maintain its aesthetic appearance.
- Clean stubborn dirt with warm water and mild detergents or soapy water.
- Remove surface scratches with a rough sponge, then apply skin-care oil.
- Limescale can be removed with vinegar diluted in water.

*NOTE: Use abrasive cleaners with great care.
