

Lerna

Nuovvo

TECHNICAL DATA SHEET

The **Lerna** bathroom countertop combines minimalism and functionality. Its matte white finish and soft touch provide a clean, contemporary look. Compact and practical, it features an integrated basin and adapts to modern bathroom furniture, making it ideal for projects that value elegance and simplicity.

● Material:

Nuovvotouch is Nuovvo's most versatile material, the result of a perfect combination of polyester resin and silica-free dolomite stone. Its surface is coated with Nanocoat, a high-performance gel coat that provides superior protection and an exclusive silk-like touch.

● Properties:

- Smooth finish texture.

3-year warranty

Silica-free material

Antibacterial

Soft to the touch

Durability

Versatility

Easy to clean

● Accessories:

Click-clack valve
(chrome / white / black)

Square trap
(chrome / white / black)

Round trap
(chrome / white / black)

Concealed trap
(chrome)

● Colour:

Matte white

● Use and maintenance:

- For regular cleaning, use universal non-abrasive cleaning products or mild dishwashing detergents.
- After each use, rinse the inner surface with water and dry with a cotton cloth.
- Clean persistent stains (grease, oil, paint, ink, and mould) with a gentle cleaning cream.* Completely removing the stains may require some effort.
- It is recommended to apply skin-care oil to the product surface once a month to maintain its aesthetic appearance.
- Clean stubborn dirt with warm water and mild detergents or soapy water.
- Remove surface scratches with a rough sponge, then apply skin-care oil.
- Limescale can be removed with vinegar diluted in water.

*NOTE: Use abrasive cleaners with great care.
