

Enna

Nuovvo

TECHNICAL DATA SHEET

The **Enna** wall-mounted countertop combines minimalist design and functionality. Its matte white finish and smooth texture bring brightness and visual purity to the bathroom. With its integrated basin and optional towel rail, it adapts to different styles and needs, offering an elegant and contemporary solution.

● Material:

Nuovvotouch is Nuovvo's most versatile material, the result of a perfect combination of polyester resin and silica-free dolomite stone. Its surface is coated with Nanocoat, a high-performance gel coat that provides superior protection and an exclusive silk-like touch.

● Properties:

- Smooth finish texture.

3-year warranty

Silica-free material

Antibacterial

Soft to the touch

(chrome / white / black)

Upstand

Square trap
(chrome / white / black)

Round trap
(chrome / white / black)

Concealed trap
(chrome)

● Colour:

Matte white

● Use and maintenance:

- For regular cleaning, use universal non-abrasive cleaning products or mild dishwashing detergents.
- After each use, rinse the inner surface with water and dry with a cotton cloth.
- Clean persistent stains (grease, oil, paint, ink, and mould) with a gentle cleaning cream.* Completely removing the stains may require some effort.
- It is recommended to apply skin-care oil to the product surface once a month to maintain its aesthetic appearance.
- Clean stubborn dirt with warm water and mild detergents or soapy water.
- Remove surface scratches with a rough sponge, then apply skin-care oil.
- Limescale can be removed with vinegar diluted in water.

*NOTE: Use abrasive cleaners with great care.
